### Account and Network Reinstatement Form for Alleged DMCA Violation

- 1) I understand that allegations have been made that a computer for which I am responsible had someone else's copyrighted material on it, without my having obtained a license or permission for the material. I have reviewed the allegations in the notice that informed UNM about this matter.
- 2) I understand that, whether intentional or unintentional, the storing of someone else's copyrighted material, without having obtained a license or permission for the material, or having other legal right to use the material, is a violation of copyright law.
- 3) I have reviewed and discussed materials on copyright law and computer security best practices.
- 4) I understand that having, among other files, printed or visual material, music, motion pictures, computer games, or unlicensed software for which I do not have a license or permission, or having other legal right to use the material, is a violation of copyright law.
- 5) I have reviewed University Business Policies and Procedures 2500 and 2510. I understand that use of University network and computing services in violation of applicable laws or University policy may result in sanctions, including withdrawal of use privilege; disciplinary action, up to and including, expulsion from the University or discharge from a position; and legal prosecution under applicable federal and/or state law.
- 6) I have reviewed material on securing my workstation to prevent the future, unintentional storage of copyrighted material on a computer I am responsible for.
- 7) I understand that my signature does not indicate an admission of wrongdoing.
